EXPERTS IN COMPLETE TRAVEL MANAGEMENT

Quality Services, Strategic Value

We manage the travel budgets of large national and multinational companies using leading edge technology with a strong commitment to personalized services. Based on your business volume, we offer either a dedicated team servicing your account or an expert travel consultant as an 'implant' equipped with a centralized reservation system at your location.

Our automated systems let us offer the best seats and routing available at the lowest price. We can generate unlimited number of MIS reports according to your specific needs. A fair and transparent booking fee structure can be implemented by way of Transaction or Management Fees. We update you on business travel trends, new hotels and destinations, airline rules and regulations and more. Our services include travel policy creation, supplier management, travel process automation and integration.

The TBi Advantage

- TBi Network at strategic locations for smooth coordination and consolidation of services
- Single window services
- Teams of quality travel professionals with 10 -15 years of experience
- Strong focus on service, customer needs and fast delivery
- 24x7 assistance
- Corporate buying power with suppliers
- Quantifiable savings on your travel spend
- Excellent relationship with principals and suppliers
- Cutting edge technology to manage your requirements
- User friendly software applications
- Customized MIS reports
- Integrated accounting packages for faster clearance

" Thanks for your excellent support, coordination and teamwork to get the tickets issued so fast. "

" It was a very good experience to deal with TBi. You lend us a comfort level at all points.. "

" TBi is one of the best and most favored vendors for us.. "

MICE – MEETINGS, INCENTIVES, CONFERENCES, EXHIBITIONS

Incentive Travel – Motivate & Reward Your Winners!

Working closely with the Indian corporate world and setting new standards of innovation and excellence, TBI specializes in cost effective incentive travel programs for companies that appreciate and reward the exceptional performance of their dealers/distributors, employees, customers and suppliers.

Our teams of MICE specialists have travelled the world and have the knowledge and firsthand experience to meticulously plan and execute your incentive program. TBI's buying power also helps ensure significant savings on your travel spend. Excellent relationships with principals and agents ensure smooth handling of your incentive tour programs.

Destinations: Far East, China, Australia, New Zealand, Western and Eastern Europe, Cyprus, USA, Middle East, Egypt, Africa, Mauritius, Sri Lanka and neighboring countries.
