

## Lapland Adventure – Aurora Sky Station - 5 nights - 6 days

Day	Destination
1 night	Kiruna
2 nights	Abisko
2 nights	Kiruna

### Day 1: DAY 1: ARRIVE IN KIRUNA

Welcome to magical Kiruna in Swedish Lapland! A driver will meet you at Kiruna Airport to take you to your accommodation. Then head out to explore the snowy city before tonight's adventure.

(Experience the thrill of a guided snowmobile tour through the snowy wilderness of Kiruna in Swedish Lapland under the Arctic sunset.)

In the evening, bundle up for a **guided snowmobile excursion** out into the wilderness. This is a thrilling way to experience Arctic nature and gives you a chance to spot the northern lights glowing in the night sky. On this adventure, you'll enjoy a **rustic dinner of traditional local food** in a wooden hut around a fireplace before your guide takes you back to Kiruna. Spend the night in Kiruna.

## Day 2: DAY 2: HUSKY SLEDDING & NORTHERN LIGHTS AT THE AURORA SKY STATION

(Experience an unforgettable dog sledding journey through pristine snow-covered forests and Arctic landscapes.)

This morning, more adventures await as you'll join a **guided dog-sledding excursion**. When you arrive at the husky farm, you'll hear the excited huskies waiting for their chance to run through the snow-covered forest trail. Following a brief lesson at the kennel, you'll drive your own sleigh, pulled by a team of energetic huskies, through the woods and over the snowy plains. There will be 2 people sharing each sleigh, taking turns mushing. After a thrilling ride, warm up with a hot drink and a light lunch in front of a campfire. In the **early evening**, you board a **minibus to Abisko**, about 100 kilometers (60 miles) from Kiruna. You'll stay here for 2 nights, and you're sure to have an unforgettable time immersed in the natural beauty of this national park. When you arrive, your night begins with a chairlift ride up the mountainside to the **Aurora Sky Station**, which offers unspoilt views of the stars above. At the restaurant, indulge in a delicious, Nordic-inspired, **3-course dinner**, followed by a **guided tour** to learn about the spectacular northern lights and how best to see them. Afterwards, take a short 900-metre (half-a-mile) walk to your hotel.

Spend the night in Abisko.

## Day 3: DAY 3: ABISKO NATIONAL PARK AT YOUR LEISURE

Take advantage of a free day in **Abisko National Park**, one of the oldest and most pristine national parks in Sweden. Here you can choose from a variety of guided activities (pre-booking recommended) or rent some skis or snowshoes from STF Abisko Turiststation to head out on your own. However, if you choose to enjoy the great outdoors today, don't forget to take advantage of the hotel sauna afterwards.

Spectacular Northern Lights dancing above Abisko National Park in Sweden

Tonight, if the sky is clear, keep an eye out for the northern lights again. This is one of the best locations in Sweden to see the auroras after all! Spend the night in Abisko.

#### **Day 4: DAY 4: TRAIN JOURNEY & FREE DAY IN KIRUNA**

Take the **train back to Kiruna** this morning to spend the **day at your leisure**. At the train station in Kiruna, you will be met by a driver who will take you to your hotel. Then you could explore the city. The old town was founded in 1900 next to a mine. In 2014, the buildings started being moved so the mine could expand. Discover the new city hall, **Kristallen** (“the crystal”), and the old church, one of Sweden’s largest wooden buildings. You can even book a guided tour of the mine. For some evening thrills, book a guided snowshoe hike or a husky evening ride to try spotting the northern lights one more time. Spend the night in Kiruna.

#### **Day 5: DAY 5: SAMI REINDEER FARM & THE MAGICAL ICEHOTEL**

Today, you’ll leave Kiruna and head out to the famous **Icehotel**. It is the largest hotel built of snow and ice in the world and was the first of its kind ever made! On arrival, you’ll take a self-guided tour of the spectacular structure. View spellbinding ice rooms and ice suites as well as a chic ice bar, an ice church, and other unique creations.

(Meet reindeer and discover authentic Sámi culture at a traditional reindeer farm in the Arctic wilderness of Swedish Lapland.)

In the afternoon, join a **tour to a traditional Sámi reindeer farm** in Jukkasjärvi. This is a wonderful way to immerse yourself in Lapland’s nature, history, and culture, and learn about how the Sámi people have lived here for centuries. You’ll also get the chance to ride a reindeer-pulled sleigh through the woods.

Return to the Icehotel (or Icehotel 365\*) to spend the night in your very own ice room.

#### **Day 6: DAY 6: DEPARTURE**

Today is your last day in Swedish Lapland! Start the morning with a hearty breakfast in the Icehotel’s restaurant and warm up in the sauna to prepare for today’s trip back home. Later, a driver will take you to **Kiruna Airport** in time for your departure flight.

## Highlights

Experience the magic of Swedish Lapland on this **6-day Arctic [adventure](#)**, beginning in Kiruna with thrilling snowmobile safaris in search of the Northern Lights and husky sledding through snowy landscapes. Travel to Abisko National Park, one of the best places in the world to witness the aurora, and enjoy a visit to the Aurora Sky Station, along with time to explore pristine winter wilderness. Return to Kiruna for cultural insights and conclude with a unique stay at the iconic Icehotel, including a visit to a Sámi reindeer farm—offering a perfect blend of adventure, nature, and unforgettable Arctic experiences.
