En route, **visit Pinnawala Elephant Orphanage**.

(A herd of elephants enjoys a river bath at the famous Pinnawala Elephant Orphanage.)

Pinnawala Elephant Orphanage: About 90 km from Colombo towards Kandy, it is home to some 100 or more elephant orphans. Most orphans are accustomed to their curious human visitors and are harmless. Visitors can interact a little with the elephants during the regulated bathing and feeding times. You can watch them feeding and having a bath.

Visit Spice Garden.

Sri Lanka is world-renowned for its valued spices and healing herbs. When visiting us, make the most of the chance to experience first-hand how cloves, pepper, ginger, nutmeg, cinnamon, and saffron are grown in their natural surroundings.

At **Regent Spice and Herbal Garden**, you can learn about their medicinal healing properties and how to use them in your day-to-day needs.

Visit Kandy Temple.

The Temple of the Sacred Tooth (Sri Dalada Maligawa) was originally built by the Kandyan Kings in 1595 to house and honor the sacred tooth relic of the Buddha. Today, the City of Kandy is a UNESCO World Heritage Site in part because of the Temple of the Tooth relic.

Optional – Later evening experience at the Kandy Cultural Show.

Check in to the hotel and relax. **Overnight Stay at Kandy Hotel.**

Day 2: DAY 02: KANDY – NUWARA ELIYA

Breakfast at the hotel.

Visit Sri Bhaktha Hanuman Temple & Ramboda Falls.

Sri Bhaktha Hanuman Temple: According to the legend, this is where Hanuman searched for Sita in the jungles above and behind the temple. There is also said to be a pond – the ‘Sita Tear Pond’ – here, which was formed from Sita’s tears. It is believed that Lord Hanuman was searching for Sitadevi from these hills of Ramboda. The Ramboda area is believed to be an area where Rama’s forces were gathered against Ravana.

(The sacred Shri Bhaktha Hanuman Temple in Ramboda is a popular spiritual and cultural attraction nestled in Sri Lanka’s scenic hill country.)

Learn about Tea Production.

Once in the tea factory, you would generally start in the plantation itself to learn about how tea is cultivated, then visit the factory where ancient machines pre-dating the industrial revolution wither, roll, and dry the tea. There is normally a little time at the end of the tour for a tea tasting, either of one specific type of tea or occasionally of the various specialties of that factory.

Visit Seetha Amman Temple.

Seetha Amman temple, the stream that runs from the hill, catered to the needs of Sitadevi during her stay at Ashok Vatika. Now there is a temple for Lord Rama, Sitadevi, Lakshmana, and Hanuman by the side of this stream. It is interesting to note that footprints akin to Lord Hanuman's are found by this river, and some are of small size, and some are of large size, which tells us of the immense powers of Hanuman transforming himself into any size.

Explore the City of Nuwara Eliya.

Visit the highland city that was the premium holiday resort town of the British in the 19th and early 20th centuries. Enjoy walking through the streets with their pretty little cottages, quaint villas, and beautiful mansions. Make a memory in the old, red-bricked post office as you purchase a postcard to take home or send to your friends. Relax at **Queen Victoria Park** and on the shores of **Lake Gregory**.

Check in to the hotel and relax. **Overnight Stay at Nuwara Eliya.**

Day 3: DAY 03: NUWARA ELIYA – BENTOTA

Within the sanctuary of the project, collected and rescued eggs can hatch safely away from predators before being released into the sea at night. The hatchery program is designed to maximize the number of hatchlings reaching the sea and surviving through the critical stages of their early life.

After that, **proceed to Balapitiya** for a Boat Safari at Madhu River.

(Experience the tranquil beauty of Sri Lanka's famous Madu River with a relaxing boat safari through mangroves and small islands.)

Madu River Ride – Enjoy a scenic cruise along the Madu River, a relaxing trip with plenty of

interesting stops. You cruise in canopies, outboard motor-powered boats, en route, take in the view of a 200-year-old temple, and watch the locals cultivating cinnamon.
