Day	Destination
2 nights	Phnom Penh

### Day 1: DAY 01: ARRIVE IN PHNOM PENH

On arrival at the airport, you will be met and transferred to the hotel by our local representative.

After the short rest, you will visit the impressive, colourful Khmer-style **Royal Palace Complex** built in 1866 by the Predecessors of King Norodom. Nearby is the **Silver Pagoda** (the Emerald Buddha temple), where contain plenty of Buddha Statues decorated and made of gold, diamonds, gemstones, and silver. We will stop at the **Independence monument** and explore the **National museum**; a beautiful Khmer architecture building contains more than 5000 art antiques made of bronze, wood, gold, silver, copper, sandstone, and others. We pass through the riverfront park where 4 rivers meet at a junction, including the mystical Mekong. Walk up to the sacred **hill Phnom Daun Penh** – also the name of a pagoda and the name of the capital nowadays. Last visit to **Central Market**, a large market constructed in 1937 in the shape of a dome with four arms branching out into vast hallways with countless stalls of goods. Initial design and layouts are from French architect Louis Chauchon.

### Day 2: DAY 02: PHNOM PENH TOUR

(The memorial stupa at Choeung Ek Genocidal Center, an important historical and cultural site near Phnom Penh.)

This morning, you will visit **Choeung Ek museum**, where between 1975 and 1978, about 17,000 men, women, children, and infants detained and tortured at S-21 were transported for extermination. We continue to **Tuol Sleng** prison, now a Genocide Museum, the most secret part of the Khmer Rouge regime. It's also called S-21 (abbreviated for Security Office 21), a Khmer Rouge's premier security camp, specifically designed for the interrogation and extermination of anti-Angkor elements. Leave the relics of the bad history of Cambodia, we will have lunch (at your own cost) before going shopping around the **Russian market**, and enjoy the bustling daily activities of the locals. Last, we will take a cruise to see the **sunset on the Mekong** and Tonle Sap River in the "Four Arms" section, where the Mekong meets the Tonle Sap River before splitting into two branches.
